NOTES:

1. Blinds are omitted when the casement window package is selected.
2. When transoms are ordered (9'-0" sidewalls only) the casement window package selected will convert to 72" tall casement windows - or 12" taller than standard. Single transoms are available as "stand alone options" only—not mulled above larger windows.
3. Casement windows are not available with obscure glass.
4. Casement windows are available in sand or white.

NEXT DIMENSION SIGNATURE CASEMENT WINDOWS ARE DESIGNED WITH EASY OPERATION IN MIND, ALLOWING YOU TO BRING THE OUTDOORS INSIDE.

With a multi-point locking system, featuring a number of lock points along the sash to create a weather tight seal, these casement windows offer superior energy efficiency. Performance is made simple and fluid through a single lock lever located low on the casement, meaning every window is easy to operate, regardless of where it's placed.

Next Dimension Signature Casement & Awning

Features and Benefits

- [1]** Thick, multi-chambered extrusions add strength and decrease air infiltration
- [2]** Air spaces in chambers provide for superior energy efficiency
- [3]** 3-1/4" frame width; integral, rigid, pre-punched nail fin for easy installation
- [4]** Fusion-welded frame and sash for strong, leakproof construction
- [5]** Integral weep system for sleek appearance; no flaps, sponges or screens
- [6]** Easy-to-remove full screen with unique plunger-type engagement

Sizes

Available in hundreds of standard and custom sizes

Glazing

- Windsor Glazing System provides 3/4" double pane insulated glass; Cardinal® LoE 366 glass standard; tinted, tempered, obscure and laminated glass available
- Custom and special glass types available
- Super Spacer® technology provides excellent thermal performance and sound absorption*
- Hot melt butyl secondary seal creates a moisture and gas barrier for improved durability and longevity

Colors

- Available in standard white or clay, with seven additional painted exterior colors to choose from
- Color encapsulated extrusions for true color throughout vinyl

Grilles

- 3/4" profiled aluminum grilles are color matched to the unit and installed within the insulated glass air space, which allows for easy cleaning
- Windsor Divided Lite (WDL), which provides the look of authentic divided lite, is also available

Hardware

Encore folding nesting crank and cover by Truth® available in white or clay

Warranty

Lifetime Limited Warranty**
10-year warranty on glass
