## NOTES:

1. Blinds are omitted when the casement window package is selected.
2. Transoms are not included with the 9' sidewall when the casement window package is selected. Single transoms are available as "stand alone options" only—not mulled above larger windows.
3. Casement windows are not available with obscure glass.
4. Casement windows are available in sand or white.

**NEXT DIMENSION SIGNATURE CASEMENT WINDOWS ARE DESIGNED WITH EASY OPERATION IN MIND, ALLOWING YOU TO BRING THE OUTDOORS INSIDE.**

*With a multi-point locking system, featuring a number of lock points along the sash to create a weather tight seal, these casement windows offer superior energy efficiency. Performance is made simple and fluid through a single lock lever located low on the casement, meaning every window is easy to operate, regardless of where it's placed.*

# Next Dimension Signature Casement & Awning

## Features and Benefits

- [1]** Thick, multi-chambered extrusions add strength and decrease air infiltration
- [2]** Air spaces in chambers provide for superior energy efficiency
- [3]** 3-1/4" frame width; integral, rigid, pre-punched nail fin for easy installation
- [4]** Fusion-welded frame and sash for strong, leakproof construction
- [5]** Integral weep system for sleek appearance; no flaps, sponges or screens
- [6]** Easy-to-remove full screen with unique plunger-type engagement
